AN OPTIONAL TWIST TO OUR FUN BIRTHDAY PARTIES and a sweet and easy way to introduce the concept of giving and service to our children is through The **Community Giving Tree's Care & Share Birthdays** which we proudly promote. Share the joy of your celebration by hosting a **Care and Share Party**. In addition or in lieu of gifts, ask your guests to donate a special item. Honor your child's birthday or special event by helping families in need. Allow your child to choose a category of giving: school supplies, winter coats, toys, baby items or basic necessities. **These items are often delivered to a child in need within a week!**

Care and Share Birthday Kids receive printed thank you notes for their guests and a certificate of appreciation. The PGH Staff is happy to deliver your donations, but often it is wonderful for the birthday child to make the delivery after the party and receive a tour of the Community Giving Tree's headquarters at 570 Main Street in nearby West Boxford. To learn more about this wonderful charity, visit: www.communitygivingtree.org

The Giving Tree by Shel Silverstein explains beautifully how rewarding it can be to share and what giving and taking from others is all about.

- We would like to participate in the Community Giving Tree and donate in lieu of gifts.
 - *We will deliver gifts ourselves*
 - *We would like Community Giving Tree to pickup*

I hereby certify that I have read, understood, and agree to the terms and policies listed on the birthday party policy sheet (attached). I understand that a \$75 deposit is due with this registration form in order to reserve my birthday party on the PGH schedule. This deposit is refundable up until 3 weeks before the scheduled date of my party, and after this point the deposit becomes non-refundable.
